PATN-0000424 (Ref. producto proveedor 4000268051529) - Industrial CAN BUS isolated repeater isolator module barrier 1Mbps Isolation Din rail mounting	0%	42.915,00	2	85.830,00
Industrial CAN BUS repeater bus isolator module barrier 100Mbps Isolation				
Features:				
1. Support CAN 2.0A / B standard (CAN-FD optional)				
2. Magnetic coupling isolation, electrical isolation 1.5KV, surge protection Interface				
3. Power supply, CAN bus before and after isolated				
4. Built-in bus arbitration logic, with bus LED indicating data				
5. 10K-1Mbps (optional CAN-FD 5Mbps) adaptive baud rate, round trip time up to 110nS				
6. bus load capacity 110 Nodes				
7. Thin size, 35mm din rail mounting.				
8. Modular design, detachable terminals				
Transporte	0%	12.069,00	1	12.069,00
