On our homepage [www.bihl-wiedemann.de](http://www.bihl-wiedemann.de), you can find data sheets with the technical characteristics of our products under their respective item number.

Further assured technical characteristics only apply if expressly agreed in writing.

All deliveries and services are exclusively subject to the latest version of the General Terms and Conditions of Delivery for Products and Services of the Electronics Industry (ZVEI) and the supplementary clause: "extended reservation of proprietary rights", which you can find on our homepage: [www.bihl-wiedemann.de](http://www.bihl-wiedemann.de)

In view of the considerable delivery bottlenecks currently occurring worldwide for electronic components (especially power semiconductors), we would like to point out that we reserve the right to correct confirmed delivery dates for self-delivery reasons.

Of course, we will inform you immediately as soon as we become aware of possible deviations from the contractually agreed.
